

The camera is focused on the mother cat and the librarian, Vanessa. Vanessa and the mother cat are walking through the library between bookshelves. Vanessa is looking for a book.

Vanessa

Now what would a cat like to read?

The mother cat stares at Vanessa with a blank expression. The next shot is from behind the cat, but pointed at Vanessa.

Vanessa

Maybe a heroic story of how they claim a kingdom of catnip for the dog kingdom.

Focus on Vanessa, have the camera at her shoulders. She is still looking through the bookshelf, trying to find a book.

Vanessa

I think this will do.

Vanessa grabs a book and sits down. Vanessa looks over at the cat and pats her lap, giving the feline some space for her to sit. The mother cat purrs and approaches Vanessa. The mother cat sits on Vanessa's lap.
