

## **INTRO CUTSCENE:**

**The camera is focused on the sky. It is the afternoon with a few clouds. We pan down to a field pleasant looking field that would look much better if it wasn't for all the trash littered around. We focus and zoom in towards a barrel with two kittens and a mother cat.**

**Camera focuses on the kittens. The kittens play around with each other.**

**The mother cat purrs and stares at the sky. Camera is behind the mother cat, giving us a shot of the sky, the kittens, and the mother cat.**

**One of the kittens run off into the grass and the other kitten follows along. The mother cat gets up and meows at her kittens. The mother cat follows her kittens.**

**Camera up to show off the field, a road with a few cars driving down it, and a city in the distance.**
